SKILLS

- ❖ MERN Stack (MongoDB, Express.js, React.js, Node.js)
- ❖ JAVA (DSA)
- ❖ Core CS Subjects: OOPs, DBMS, CN, OS

EDUCATION

- ❖ SNDT College | BSc (IT) | May 2026
- ❖ SY CGPA: 7.74 (as of May 2025)
- ❖ SVT College of Home Science | HSC (XII) | 2023 — 51%

ACADEMIC PROJECTS

❖ SerenoStream Call – Video Communication App.

Built a full-stack real time video communication app with Web RTC, user auth, and backend logic.

Tech: MongoDB, Express.js, React.js, Node.js

Link: <https://streamcall-frontend.onrender.com/>

❖ SerenoStay – Hotel Booking Web Application.

Built a full-stack rental platform with RESTful APIs, user auth, and backend logic.

Tech: MongoDB, Express.js, React.js, Node.js

Link: <https://serenostay-project.onrender.com/>

❖ Weather App – real-time weather updates.

Built a Weather app with Material UI, RESTful APIs and backend logic.

Tech: Material UI, Express.js, React.js, Node.js

Link: <https://github.com/shifantasticc/Practice-React/tree/main/WeatherApp-MaterialUI>

ACHIEVEMENTS / HOBBIES

- Completed *Web Development Course* from Apna College
- Built and deployed 3+ full-stack web development projects using the MERN stack.

Hobbies:

- Exploring and learning new things across technology and creative fields.
- Developing interactive web apps and improving coding skills.
- Solving puzzles and analytical challenges.
- Reading.
